INTEGRATED  
FREIGHT &  
LOGISTICS

## FOUNDERS

### MESSAGE

*Integrated Freight & Logistics is a total transportation and logistics provider with global agency alliance.*

We take great pleasure in welcoming you to IFL. Over our 17 years of experience and expertise in the industry, we have evolved into a globally recognized freight and logistics service provider. We keep our customers' interest as our prime objective.

In 2003, we responded to the growing importance and aspirations of the United Arab Emirates, by starting IFL, with a vision to be the best at what it does.

### PASSION!

With a firm bedrock in the UAE, we support organisations from the far corners of the globe, who require 'Best-In-Class' Logistics and Supply Chain services.

**WE ARE AN ORGANIZATION  
DOING OUR SERVICE WITH  
JOY AND EXCITEMENT.**

If you are looking for greatest flexibility, highest level of quality, customer satisfaction with personal touch, IFL is the answer.

We are proud to say that our clients consider us as their preferred freight and logistics partner who listen, learn, innovate, and deliver.

## MISSION

IFL's mission is to add value to our clients' businesses by passionately providing simplified logistics solutions, empowering them to focus on their expertise and to pursue their goals.

## VISION

To be the global frontrunner in logistics, setting new benchmarks in quality and delivering innovative solutions that create a positive impact in our clients' business.

## VALUES

### PASSION

We are an organization doing our service with joy and excitement.

### EMPOWERMENT

We share knowledge to build a competent and successful team. We delegate authority, welcome changes, and seek challenges, helping individuals to discover and develop their full potential.

### LEGACY

We leave footprints with impact. Our values, principles, and wisdom will be remembered, our lives will touch and inspire the world.

## A CONNECTED WORLD

A connected ideology!

IFL envisions to surpass boundaries, and offer solutions that cater to the requirements of our clients. It aims to be a one stop logistics solution provider.

# 300

Collaborators and  
Partners around  
The world

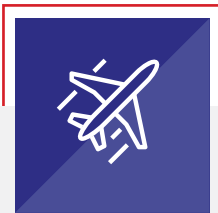

Offering an extensive network of operations spanning 120 countries and with over 300 agents, IFL takes pride in being the most cost effective and convenient freight solutions provider. We have tie-ups with major Shipping Lines & Airlines, and take up all areas of end-to-end logistics solutions.

---

# Core Services

IFL facilitates customized freight and logistics solutions suitable to the nature and size of your cargo.

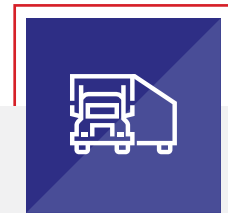

## AIR FREIGHT

When time is a critical factor for your cargo, we share the same sense of urgency as you. Working with the support of our reliable network partners we ensure on-time delivery of your cargo.

## OCEAN FREIGHT

Based on the nature of cargo, we design the right solution. We cater to all types of movements, LCL, FCL, Special Equipment, and Break-Bulk.

## OVER-LAND TRUCKING

IFL provides road freight services within the UAE and across the GCC and MENA region including border Customs clearance and documentation. We ensure hassle free door to door services within the desired time frame.

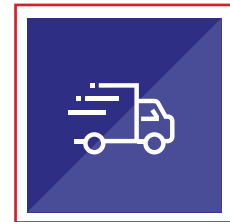

### CROSS TRADE SHIPMENTS

IFL facilitates convenient cross trade movements and switching of documents in the UAE, or at any point of convenience being in line with the standard legal parameters.

### CUSTOMS BROKERAGE

We arrange customs clearance documentation services worldwide, allowing our clients to sit back and relax.

### RELOCATION

We are equipped to handle relocation of homes, offices and industrial units domestically and internationally. We specialize in packing and moving of fragile goods, antiques, musical instruments and Garments on Hangers -GOH.

## Value Added Services:
